

Dear Employer,

I hope my letter find you in good health. I am Miah Mohammad Saifuddin, completed graduation in Civil and Environmental Engineering from Islamic University of Technology (IUT), Bangladesh, which is a subsidiary organ of OIC. Currently I am working as a Junior Engineer (equivalent to Assistant Engineer) since March 03, 2014 at of Institute Water modelling (IWM) Website: <http://www.iwmbd.org/>, a very renowned organization of Bangladesh.

Fabulous scores in all prior exams resulted into admission in civil engineering department of the Islamic University of Technology (IUT), a top-ranked university in Bangladesh. Results of my last two semesters were higher as deeper Engineering subjects allured me.

I have received GIS training. As I shall be working here till my acceptance, I shall hopefully get to learn more skills. I am pretty good at MS Excel, PowerPoint, Word and other necessary computer skills. Data processing (mainly through MS Excel), simulation, sorting, making graphs through HYMOS, working on project reports, fixing meetings, visiting various government offices for collecting historical water level and salinity concentration data (model is run with it to check the possibilities of recharge) and many other managerial tasks such as monitoring the monetary affairs of the project have been my responsibilities. Work challenges are making me more responsible and matured as an engineer as I see how the theories are applied in practical fields.

I am a good learner and manager with good in-situ reaction thus if given the proper guidance and assistance am confident about being an asset as an Engineer.

Best Regards,

**Miah Mohammad Saifuddin
Junior Engineer
Department of Water and Resource Planning
Institute of Water modelling (IWM)
House no#496, Road# 32
New DOHS, Mohakhali
Dhaka-1206, BANGLADESH**

Curriculum Vitae

Of

Miah Mohammad Saifuddin

Email: suaib.juju@gmail.com

Cell: +8801673338729

Career Objective :

Eager to build up my career as a successful Engineer through proper utilization of knowledge and experiences of my educational career and to serve my nation and organizations goal. To prove myself as a quick learner and highly energetic person to face any challenge in the field of Civil and Environmental Engineering, if I would be given an opportunity.

Educational Background:

- **Bachelor of Science (B.Sc.) in Civil and Environmental Engineering**
Islamic University of Technology (IUT), Dhaka- Bangladesh .
Year: 2013
Result: 1st Class
CGPA: 3.27 out of 4.00
- **Higher Secondary Certificate (H.S.C.), Science**
Dhaka Residential Model College, Dhaka.
Year: 2009
Result: GPA 5.00 out of 5.00
- **Secondary School Certificate (S.S.C.), Science**
Dhaka Residential Model College
Year: 2007
Result: GPA 5.00 out of 5.00

Thesis Works:

Comparison of Cost of Accidents in Construction Site against the cost of Mitigation Measures through Risk Assessment.

Supervisor: Dr. Aslam Hossain, Assistant Professor, Department of Civil & Environmental Engineering, Islamic University of Technology.

Specialization subjects:

- Structural engineering
- Transportation engineering
- Foundation engineering
- Construction safety
- Water resource engineering

Job Experiences:

- Worked as Junior Engineer at Institute of Water Modelling(IWM) for 1(one) year.

Industrial Experiences:

- Public Work Department (PWD) (10 Days)
- Housing & Building Research Institute (HBRI) (10 Days)
- Different Construction Sites visit in Uttara(2 Days)
- People's Ceramics, Gazipur. (1 day short visit)
- National Polymers,Tongi, Gazipur. (1 day short visit)

Computer Skills:

- Operating System: Windows XP/ Windows 7
- Very efficient in Ms Office: Microsoft Word, Excel, PowerPoint
- Programming Language: Some basic skills on C and Matlab
- Engineering Software: HYMOS, MIKE

Language Proficiency:

- Bengali & English (reading, writing & fluently speaking)
- Arabic (did two courses at University)

Extracurricular activities:

- Playing Cricket, Football, Badminton, Table Tennis.
- Took part in Liberation War Festival quiz competition & Olympiad organized by Shilpakala Academy Kushtia
- Completed three years course on Drawing in Bangladesh Shishu Academy

Personal Information:

Father's Name : Mohammad Shamsuzzoha.
Mother's Name : Musarrat Sharmin.
Date of Birth : 03-01-91
Nationality : Bangladeshi
Religion : Islam
Marital Status : Single
Present address : 274/1, West Monipur, Mirpur, Dhaka
